## About us

Fighting financial crime (e.g., terrorism financing, money laundering, human trafficking...) is of paramount importance. International regulations require all financial service providers to implement financial crime compliance programs, and fines for breaches of compliance are extremely high.

Our ambition is to become a global leader in Financial Crime Compliance, offering advanced technology solutions to international clients and an attractive working environment for top talents.

**We are looking for a dynamic Sales Representative** to join our fast-growing team. Reporting to the Chief Commercial Officer, your role is key to foster Neterium's business growth. You will work closely with all the teams to gain knowledge in all aspects of the financial crime prevention business.

- Develop a robust sales pipeline by actively prospecting
- Ensure customer satisfaction and retention
- Develop and maintain long term relationships with clients and partners
- Support the sales team in other tasks: create quotation, contribute to tenders, conduct sales process, fill and keep up to date CRM...

## Your skills and experience

- Exceptional interpersonal and organizational skills
- Comfortable working in a fast paced and dynamic environment
- Great at building and developing client and partners relationships
- Excellent verbal and written communication in English
- Aptitude for understanding technical concepts
- Mandatory: Minimum 2+ years of experience in software sales in an international B2B environment

## What we offer

- The agile and fast-moving environment of an international startup
- The ability to meaningfully contribute to the global fight against financial crime
- Compelling salary package
- The role is based on the Louvain-La-Neuve campus (20km SE of Brussels) but can be partly remote
